Impact of Hanumantha Rao Committee recommendations

3376. SHRI DIPANKAR MUKHERJEE:

Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

(a) whether Government are Considering the impact of the Hanumantha Rao Committee's recommendations vis-a-vis freight charge and abolition of ECA allocation in West Bengal, where urea production is nil though the consumption during kharif season itself is now around five lakh tonnes; and

(b) whether in view of the above, top priority is being given to re-start the only urea producing unit at Durgapur immediately; if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS (DR. A.K. PATEL): (a) and (b) The requirement of urea for West Bengal, as per the allocations made under the Essential Commodities Act (ECA), 1955, is being met in full through multi-source supplies. No decision has been taken on the recommendation of the Fertilisers Pricing Policy Review Committee headed by Prof. C.H. 'Hanumantha Rao regarding dis-continuance of the ECA allocations.

Due to resource constraints, it has not been possible to provide additional budgetary support to Hindustan Fertilizers Limited for undertaking the capital investment on replacement^ renovation of critical equipments required for resumption of production at Durgapur plant.
